## FLUTE QUARTET

„..... Amazement and applause from the audience...“ (Süddeutsche Zeitung)

VerQuer crosses borders: This modern flute quartet combines classics, jazz, latin, tango, contemporary music and much more within one concert.

With all kinds of flutes from piccolo to contra bass flute and miscellaneous percussion Katrin Gerhard, Daniel Agi, Britta Roscher und Maximilian Zelzner since 1999 conquer the audience´s sympathies.

Whether they turn into a rock band by fluteboxing and rough sounds or mutate to a marching band from the Balkans by breakneck fast solos - their furious and chameleonic mix offers variety for ears and eyes. Get infected by the joyous playing of VerQuer and follow them on the quartet´s new paths of 21th century music!

„ ... immediately captured the audience with a free, spirited and imaginative program ...“
